Cryptography on Isogeny Graphs

by Lorenz Panny

June 29, 2022

1. Footnote 29 on page 22: Replace $c^2\sqrt{-d}$ by $c\sqrt{-d}$ or $\sqrt{-c^2d}$. The statement as printed happens to be true nonetheless, but it is weaker than intended; in particular, it fails to prove the implication it purports to support. (Thanks to Giacomo Pope.)
